

Blowback Website

Contents

7-9-11

General Folder

180 html files

2 css files

1 js file

1 xml file

Archive Folder

54 pdf snapshots of old site

Aspnet Client Folder

(I'm not sure how important these files are, if they are related to the site or notes from another site)

1 html file

1 js file

CGI-bin

(This does not seem to be in use on the website, all folders within this folder are empty)

2 cgi files

3 txt files

2 html files

1 readme file

FLAS folder

1 psd file

4 fla files

7 swf files

2 html files

Images folder

287 jpg and gif files

Popup folder

101 jpg files

101 html files

Thumbs

202 jpg files
